<https://hopkinscme.cloud-cme.com/course/courseoverview?P=0&EID=67043>

Now in its second year, this course is designed to strengthen both foundational and advanced skills in history-taking, bedside physical examination, diagnosis, and effective communication. Through a multidisciplinary approach, the curriculum incorporates a diverse range of teaching methods, including didactic sessions, hands-on bedside examinations, and simulated scenarios, all aimed at refining our approach to bedside medicine and promoting best practices in clinical care.

Course Directors:

John Woller, MD

*Assistant Professor of Medicine
Associate Program Director of
Clinical Reasoning and Bedside Medicine
Osler Medical Residency*

Kristina Montemayor, MD, MHS

*Assistant Professor of Medicine
Senior Associate Program Director
Osler Medical Residency*

PROGRAM

May 1, 2026

MORNING

8:00 – 9:00 **DOM Grand Rounds – Hurd Hall**

André Mansoor

9:00 – 9:30 Registration – Lobby, 1st Floor
