

JOHNS HOPKINS DEPARTMENT OF MEDICINE
presents

The 68th Annual Philip A. Tumulty

TOPICS in CLINICAL MEDICINE

May 1-3, 2024

The Johns Hopkins Hospital
Chevy Chase Bank Conference Center
1800 Orleans Street
Baltimore, Maryland 21287

DESCRIPTION

Topics in Clinical Medicine began 68 years ago with Dr. Philip Tumulty's belief that Johns Hopkins faculty should share their expertise and enthusiasm for clinical medicine in a collegial environment. This course facilitates interactions between world class speakers and participants, including multiple Meet the Professor sessions. In 2024, "Topics" remains a course dedicated to providing the best summaries of the advances in medicine and their practical uses in daily clinical care.

To see the full course agenda, including specific presentation topics, speakers, and times, please go to:
