Second Annual

HITEC

Hopkins International
Therapeutic Endoscopy
Course

May 2-4, 2018

The Johns Hopkins Hospital and
Johns Hopkins University School of Medicine
Thomas B. Turner Building

- Lectures, live demonstrations and hands-on training by superstar national and international faculty from around the globe
- Live demonstrations over 2 days to include basic, advanced and cutting edge endoscopic procedures and techniques
- Demonstration of the latest breakthrough endoscopic equipment and accessories
- Direct interaction with Hopkins and visiting faculty
- Optional one day bariatric endoscopy module including lectures and hands-on training
- Luncheon sessions with national and international faculty
- Optional half-day hands-on lab session with professional training models
- Interactive video sessions with commentary from expert faculty

This symposium is endorsed by:

- Association for Bariatric Endoscopy
- International Federation for the Surgery of Obesity and Metabolic Disorders
- American Society for Gastrointestinal Endoscopy
- European Society of Gastrointestinal Endoscopy
- Brazilian Society of Digestive Endoscopy
- WEO World Endoscopy Organization
The Johns Hopkins International Therapeutic Endoscopy Course (HITEC) is an intense 2-3 day course dedicated to providing the practicing endoscopist state-of-the-art updates in luminal, pancreaticobiliary and bariatric endoscopy. In addition to extensive live endoscopy demonstrations and keynote lectures by superstar national and international faculty, our unique format will include faculty led lunch time symposia focusing on the various aspects of therapeutic endoscopy as well as video sessions that encourage opportunities to demonstrate rare cases not typically performed during live courses in the U.S. The pancreaticobiliary endoscopy sessions will illustrate basic and advanced principles and techniques of EUS/ERCP, cholangiopancreatoscopy and interventional EUS. The luminal endoscopy sessions will focus on techniques such as Barrett’s endoscopic therapy, EMR, ESD, POEM and EUS-guided anastomosis creation. The bariatric endoscopy sessions will demonstrate primary endoscopic therapies, as well as novel techniques to manage the complications of bariatric surgery. Both therapeutic endoscopy and bariatric endoscopy hands-on labs are offered with training performed by world renowned experts. In short, this unique course featuring super star global endoscopists will ensure detailed and comprehensive illustration of optimal techniques to enhance endoscopic skills, while simultaneously introducing advanced and novel procedures/techniques to endoscopists.

Optional first-come, first-serve hands-on lab sessions with explants and training models will be available. It will consist of the following modules:

**Option 1: Bariatric Endoscopy Hands-On Lab**  
(limited to 25 participants; pre-registration required)  
Station 1: Endoscopic Sleeve Gastroplasty  
Station 2: Intragastric Balloons  
Station 3: Transoral Outlet Reduction (TORe)  
Station 4: Septotomy and Pneumatic Dilation  
Station 5: Perforation/Fistula Closure  
Station 6: Aspiration Therapy

**Option 2: Therapeutic Endoscopy Hands-On Module**  
(limited to 40 participants; pre-registration required)  
Station 1: Endoscopic Submucosal Dissection (ESD)  
Station 2: Endoscopic Submucosal Dissection (ESD)  
Station 3: Endoscopic Suturing  
Station 4: Full Thickness Resection  
Station 5: ERCP with Cholangiopancreatoscopy  
Station 6: Interventional EUS/Pseudocyst Drainage  
Station 7: Endoscopic Mucosal Resection (EMR) and Hemostasis  
Station 8: Zenker’s Diverticulotomy  

Each participant will rotate through each station with a maximum of five participants per station. Option 1 is limited to 25 participants and option 2 is limited to 40 participants. Please register early as these limited sessions will fill up quickly.

**WHO SHOULD ATTEND**  
This activity is intended for endoscopists, gastroenterologists, surgeons, gastroenterology/surgical fellows, endoscopy nurses and endoscopy technicians.

**OBJECTIVES**  
After attending this activity, the participant will demonstrate the ability to:  
- Discuss the latest advances in luminal and pancreaticobiliary endoscopy.  
- Discuss different management options for patients with large colon polyps.  
- Discuss different management options for patients with peripancreatic fluid collections.  
- Present an update on EUS-guided sampling of solid and cystic lesions.  
- Illustrate management of patients with upper GI bleeding.  
- Discuss management of difficult biliary stones.  
- Present an update on the endoscopic management of Barrett’s esophagus.  
- Present a multidisciplinary approach in the management of obesity including different bariatric endoscopic techniques.
ACCREDITATION STATEMENT
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Johns Hopkins University School of Medicine and The Institute for Johns Hopkins Nursing. The Johns Hopkins University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians. The Institute for Johns Hopkins Nursing is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

CREDIT DESIGNATION STATEMENT
The Johns Hopkins University School of Medicine designates this live activity for a maximum of 25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

OTHER CREDITS
American Academy of Nurse Practitioners National Certification Program accepts AMA PRA Category 1 Credit™ from organizations accredited by the ACCME.

GENERAL INFORMATION
REGISTRATION
May 2, 2018 • 7:00 – 7:30 a.m.
The registration desk will remain open for the duration of the activity.

LOCATION
Thomas B. Turner Building
Lower Level
Johns Hopkins University School of Medicine
720 Rutland Avenue
Baltimore, Maryland 21205
The Turner Building is located on Rutland Avenue at Monument Street. Directions and campus parking information are available on our website under the contact us tab at https://HopkinsCME.cloud-cme.com. Handicapped parking is available in the nearby Rutland Garage. Complimentary round-trip transportation for attendees staying at conference headquarters hotel will be provided. Johns Hopkins is smoke-free.

TRAVEL INFORMATION
By Air: Baltimore is served by three major airports: Baltimore/Washington International Airport (BWI) in Maryland; Washington Dulles International Airport (IAD) and Ronald Reagan National Airport (DCA) in Northern Virginia.
Taxi Service: To downtown Baltimore from BWI, the nearest airport, is 15-30 minutes depending on traffic and approximately $35 one way. Super Shuttle charges less than $20 one way and reservations are needed. Reservations can be made online at: www.supershuttle.com or call +1 (410) 859-3427.
By Rail: Baltimore is easily accessible by train. Amtrak trains run 24 hours a day, 7 days a week. Baltimore is a major stop for Amtrak’s high-speed Acela Express service. Penn Station is easily accessible by I-95, I-83 and I-70 and is a 15 minute taxi ride to Johns Hopkins. For more information visit www.amtrak.com or call +1 (800) USA-RAIL.

American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME. Physician assistants may receive a maximum of 25 AAPA Category 1 CME credits for completing this program.

The Johns Hopkins University has approved this activity for 25 contact hours for non-physicians.

This 25 contact hour educational activity is jointly provided with The Institute for Johns Hopkins Nursing.

Continuing Medical Education credit is being requested from another applicable medical specialty organization.

MOC STATEMENT
Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 25 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

HOTEL ACCOMMODATIONS
A limited block of sleeping rooms has been reserved at the hotel for your convenience and will be available on a first come, first served basis.

Four Seasons Hotel
200 International Drive
Baltimore, Maryland 21202
Email: reservations.baltimore@fourseasons.com
Website: http://www.fourseasons.com/baltimore
Online reservation code: CI0518JH

Hotel Reservation Cut-Off Date: April 1, 2018
Make your reservation online or call the hotel directly and specify that you are attending the Johns Hopkins HITEC conference to receive the special rate of $295 single/double, plus 9.5% occupancy tax and 6% state sales tax per night. Overnight, daily valet and self-parking are available for an additional fee. Check in time is 3:00 p.m. Check out time is 12:00 p.m.
Complimentary roundtrip shuttle bus transportation will be provided from the hotel.

COMPLIMENTARY SOCIAL EVENT
Please join us for an opportunity of networking during the complimentary welcome reception and dinner for registrants and faculty on Wednesday evening, May 2, 2018, immediately following the last session. Guests are invited to attend at an additional charge of $50. Please indicate the support received is solely for the educational component of this activity and will not be used to support this social event.

SYLLABUS
The syllabus will be available online at http://tinyurl.com/HITEC-JH18 and via your mobile device in the CME CloudCME App prior to the activity.
what impact this activity had on the learner’s practice.

within two months post activity to assist us in determining

June 15, 2018

last day to access the evaluation and attest to your credits is

learner’s transcript and immediately available for print. The

hours in attendance. Credits earned will be added to the

of the evaluation, the learner must attest to the number of

attendees to evaluate the activity and individual presentations

Post activity, an online evaluation will be available to

quiry by phone to cancel or postpone any activity due to unforeseen circumstances. In

this event, the University will refund the registration fee but is

not responsible for travel expenses. Additionally, we reserve

the right to change the venue to a comparable venue. Under

such circumstances registrants will be notified as soon as possible.

LATE FEE AND REFUND POLICY

A $50 late fee applies to registrations received after 5:00 p.m. ET on April 27, 2018. A handling fee of $50 will be

deducted for cancellation. An additional fee may apply for
cancellation of other events, including workshops and

social activities. Refund requests must be received by fax or

mail by April 27, 2018. No refunds will be made thereafter.

Transfer of registration to another Johns Hopkins activity in

lieu of cancellation is not possible.

HANDS-ON LABS (LIMITED AND OPTIONAL)

On Friday, May 4, 2018, registrants will have the option

of attending a full day bariatric endoscopy didactic and hands-

on lab or a half day therapeutic endoscopy hands-on lab.

They will take place in the lab at The Johns Hopkins Hospital

and for an additional fee. These will be carried on explants

and training models. The available training modules are

highlighted in the program schedule. Trainers will consist

of national and international expert endoscopists. Pre-

registration is required. Space is limited.

HOW TO OBTAIN CREDIT

Post activity, an online evaluation will be available to

attendees to evaluate the activity and individual presentations

and to identify future educational needs. Upon completion

of the evaluation, the learner must attest to the number of

hours in attendance. Credits earned will be added to the

learner’s transcript and immediately available for print. The

last day to access the evaluation and attest to your credits is

An outcome survey will be sent to all physician attendees

within two months post activity to assist us in determining

what impact this activity had on the learner’s practice.

EMERGENCY CALLS

On May 2-4, 2018, direct emergency calls to the Hopkins

registration desk, +1 (410) 955-3673. Messages will be

posted for participants.

AMERICANS WITH DISABILITIES ACT

The Johns Hopkins University School of Medicine and The

Institute for Johns Hopkins Nursing fully comply with the

legal requirements of the ADA and the rules and regulations

thereof. Please notify us if you have any special needs.

Policy on Speaker and Provider Disclosure

It is the policy of the Johns Hopkins University School of

Medicine that the speaker and provider globally disclose

conflicts of interest. The Johns Hopkins University School

of Medicine OCME has established policies in place that

will identify and resolve all conflicts of interest prior to this

educational activity. Detailed disclosure will be made in the

instructional materials.

Acknowledgement

Applications for commercial support from health care related

industries are pending. A complete list of contributors will be

provided in the syllabus. Please note that commercial sup-

port received is solely for the educational component of the

activity and will not be used to provide food and beverage.

Please note: The Physician Payments Sunshine Act was en-

acted by Congress to increase public awareness of financial

relationships between drug and medical device manufac-

turers and physicians. In compliance with the requirements

of this Act, the commercial supporter/s of this activity may

require the Johns Hopkins University School of Medicine

to report certain professional information (such as name,

address, National Provider Identifier (NPI), and State License

number) of physician attendees who receive complimentary

food and beverage in conjunction with a CME activity. The

commercial supporter is required to submit the collected
data to the Centers for Medicare and Medicaid Services

which will then publish the data on its website.
PROGRAM

DAY 1: WEDNESDAY, MAY 2, 2018

7:00 - 7:30 Registration and Continental Breakfast

7:30 - 7:40 Opening Remarks and Conference Goals
Mouen Khashab, MD (USA) and Vivek Kumbhari, MD (USA)

Session 1
Moderators: Marcia Canto, MD, MHS (USA), Sri Komanduri, MD, MS, FASGE, AGAF (USA), Fauze Maluf, MD, PhD (Brazil)

7:40 - 8:00 Expanding Poetry: E-POEM, G-POEM and Z-POEM
Amit Maydeo, MD, FASGE (India)

8:00 - 8:20 Management of Difficult Biliary Stones
Horst Neuhaus, MD (Germany)

8:20 - 8:40 Biliary Access in Patients with Altered Anatomy
Raj J. Shah, MD, FASGE, AGAF (USA)

8:40 - 10:00 Live Endoscopy

10:00 - 10:20 Refreshment Break and Exhibits

Session 2
Moderators: Miguel Angel Ramirez Luna, MD (Mexico), Uzma Siddiqui, MD (USA), Vikesh Singh, MD, MSc (USA)

10:20 - 12:00 Live Endoscopy

12:00 - 1:00 Meet the Professor Luncheon Sessions
