# CONTINUING MEDICAL EDUCATION

Presented by Department of Plastic and Reconstructive Surgery & Department of Neurosurgery

# Fourth Annual Selected Topics in Neuroplastic & Reconstructive Surgery:

An International Symposium on Cranioplasty and Implantable Neurotechnology

# November 3 - 4, 2018

# General Session: November 3 Hands-on Lab: November 4

Chevy Chase Auditorium Johns Hopkins Hospital Baltimore, MD

VISTA Lab 1030 North Charles Street Baltimore, MD

This activity has been approved for AMA PRA Category 1 Credits™.

# DESCRIPTION

Modern-day cranioplasty, along with the burgeoning field of Neuroplastic and Reconstructive Surgery, is undergoing a significant paradigm shift related to various techniques, surgical advancements, implantable neurotechnology, and improved biomaterials. These changes have stimulated us to assemble premier thought leaders in various specialties including neurosurgery, neuroplastic surgery, craniofacial surgery, and plastic surgery to meet for the fourth annual symposium dedicated to the subjects of "cranioplasty," "implantable neurotechnology," and "neuroplastic surgery"- to be hosted this year in Baltimore, Maryland. The faculty will gather to present evidencebased data on surgical approaches and state-of-the-art materials, engage and network within a broad array of colleagues and experts, and share high-yield experiences to help attendees improve their patient outcomes. Interactive panel discussions following each lecture will offer the opportunity to debate the evidence, exchange ideas, and gain invaluable insight to assist with the most challenging cases. This year's symposium will engage an international faculty and audience consisting of neurosurgery, neuroplastic surgery, craniofacial surgery, plastic/reconstructive surgery, oral/maxillofacial surgery, and otolaryngology/head and neck surgery to explore and elucidate the new insights and advances relative to skull reconstruction, cranial implants, and groundbreaking neurotechnologies.

# WHO SHOULD ATTEND

This activity is intended for residents, fellows and physicians in Neurosurgery, Neuroplastic and Reconstructive Surgery, Craniofacial Surgery, Plastic and Reconstructive Surgery, Otolaryngology—Head and Neck Surgery, Oral Maxillofacial Surgery and Oculoplastic Surgery.

# **OBJECTIVES**

After attending this activity, the participant will demonstrate the ability to:

- Create a cranioplasty reconstruction management plan with or without implants, from peri- to postprocedural care.
- Discuss recent advances in cranioplasty and neuro-cranial reconstruction, and how you may incorporate them into your practice.
- Translate cranioplasty and implantable neurotechnology research findings to improved outcomes based on recent evidence based literature.
- Employ cooperative learning to analyze practice barriers and apply appropriate solutions.

# **ACCREDITATION STATEMENT**

The Johns Hopkins University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

# **CREDIT DESIGNATION STATEMENT**

The Johns Hopkins University School of Medicine designates this Live activity for a maximum of 12.50 *AMA PRA Category 1 Credits*<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

# **OTHER CREDIT(S)**

American Nurses Credentialing Center (ANCC) accepts AMA PRA Category 1 Credit<sup>™</sup> from organizations accredited by the ACCME.

American Academy of Nurse Practitioners National Certification Program accepts AMA PRA Category 1 Credit<sup>™</sup> from organizations accredited by the ACCME. National Commission on Certification of Physician Assistants (NCCPA). PAs may claim a maximum of 12.50 Category 1 credits for completing this activity. NCCPA accepts *AMA PRA Category 1 Credit*<sup>™</sup> from organizations accredited by ACCME or a recognized state medical society.

# **POLICY ON SPEAKER AND PROVIDER DISCLOSURE**

It is the policy of the Johns Hopkins University School of Medicine that the speaker and provider globally disclose conflicts of interest. The Johns Hopkins University School of Medicine OCME has established policies that will identify and resolve conflicts of interest prior to this educational activity. Detailed disclosure will be made prior to presentation of the education.

\*with verification of status

You will receive a confirmation by e-mail. If you have not received it by October 28, 2018, call (410) 502-9636 to confirm that you are registered. A transcript of attendance will be available upon attestation of your credit hours and submission of the post activity online evaluation.

The Johns Hopkins University reserves the right to cancel or postpone any activity due to unforeseen circumstances. In this event, the University will refund the registration fee but is not responsible for travel expenses. Additionally, we reserve the right to change the venue to a comparable venue. Under such circumstances registrants will be notified as soon as possible.

# LATE FEE AND REFUND POLICY

A \$50 late fee applies to registrations received after 5:00 p.m. ET on October 28, 2018. A handling fee of \$50 will be deducted for cancellation. An additional fee may apply for cancellation of other events, including workshops and social activities. Refund requests must be received by fax or mail by October 28, 2018. No refunds will be made thereafter. Transfer of registration to another Johns Hopkins activity in lieu of cancellation is not possible.

# **SYLLABUS**

The syllabus will be accessible online and via your mobile device in the CloudCME App prior to the activity.

## **HOW TO OBTAIN CREDIT**

Post activity, an online evaluation will be available to attendees to evaluate the activity and individual presentations and to identify future educational needs. Upon completion of the evaluation, the learner must attest to the number of hours in attendance. Credits earned will be added to the learner's transcript and immediately available for print. The last day to access the evaluation and attest to your credits is December 18, 2018.

An outcome survey will be sent to all physician attendees within two months post activity to assist us in determining what impact this activity had on the learner's practice.

### **EMERGENCY CALLS**

On November 3, 2018 direct emergency calls to the Hopkins registration desk, (443) 287-5426. On November 4, 2018 direct emergency calls to the Hopkins registration desk, (410) 637-3704. Messages will be posted for participants.

## **AMERICANS WITH DISABILITIES ACT**

The Johns Hopkins University School of Medicine fully complies with the legal requirements of the ADA and the rules and regulations thereof. Please notify us if you have any special needs.

## ACKNOWLEDGEMENT

Applications for commercial support from health care related industries are pending. A complete list of contributors will be provided in the syllabus. Please note that commercial support received is solely for the educational component of the activity and will not be used to provide food and beverage.

*Please note:* The Physician Payments Sunshine Act was enacted by Congress to increase public awareness of financial relationships between drug and medical device manufacturers and physicians. In compliance with the requirements of this Act, the commercial supporter/s of this activity may require the Johns Hopkins University School of Medicine to report certain professional information (such as name, address, National Provider Identifier (NPI), and State License number) of physician attendees who receive complimentary food and beverage in conjunction with a CME activity. The commercial supporter is required to submit the collected data to the Centers for Medicare and Medicaid Services which will then publish the data on its website.
