#HITECJH20

- Lectures, **live demonstrations** and **hands-on training**
- National and international **expert faculty**
- Basic, advanced and **cutting edge** endoscopic procedures and techniques
- **Latest breakthroughs** in endoscopic equipment and accessories
- **Direct interaction** with Johns Hopkins and visiting faculty
- Optional half day **hands-on** lab session with professional training models
- **Interactive video sessions** with commentary from the experts
- **Separate tracks** in therapeutic endoscopy, bariatrics and nursing

JOHNS HOPKINS
MEDICINE

Fourth Annual

HITEC 2020

Hopkins International Therapeutic Endoscopy Course

DESCRIPTION

The Johns Hopkins International Therapeutic Endoscopy Course (HITEC) is an intense 2-3 day course dedicated to providing the practicing endoscopist state-of-the-art updates in luminal, pancreaticobiliary and bariatric endoscopy. In addition to extensive live endoscopy demonstrations and keynote lectures by superstar national and international faculty, our unique format will include faculty led lunch time symposia focusing on the various aspects of therapeutic endoscopy as well as video sessions that encourage opportunities to demonstrate rare cases not typically performed during live courses in the U.S. The pancreaticobiliary endoscopy sessions will illustrate basic and advanced principles and techniques of EUS/ERCP, cholangiopancreatography and interventional EUS. The luminal endoscopy sessions will focus on techniques such as Barrett's endoscopic therapy, therapies for GERD, EMR, ESD, POEM and EUS-guided anastomosis creation. The bariatric endoscopy sessions will demonstrate primary endoscopic therapies, as well as novel techniques to manage the complications of bariatric surgery. Therapeutic endoscopy hands-on training labs are offered with training performed by world-renowned experts. In short, this unique course featuring global endoscopists will ensure detailed and comprehensive illustration of optimal techniques to enhance endoscopic skills, while simultaneously introducing advanced and novel procedures/techniques to endoscopists.

WHO SHOULD ATTEND

This activity is intended for endoscopists, gastroenterologists, surgeons, gastroenterology/surgical fellows, endoscopy nurses and endoscopy technicians.

OBJECTIVES

After attending this activity, the participant will demonstrate the ability to:

- Discuss the latest advances in luminal and pancreaticobiliary endoscopy.
- Present an update on endoscopic therapy for gastroesophageal reflux disease and the management options for patients with complex esophageal strictures.
- Present an update on Barrett's esophagus.
- Discuss different management options for patients with complex biliary strictures.
- Present an update on endoscopic approaches to the management of peripancreatic fluid collections and gallbladder drainage.
- Discuss a variety of bariatric endoscopic techniques, including primary weight loss therapies as well as those to treat the complications of bariatric surgery.
- Illustrate techniques and indications for endoscopic suturing.
- Discuss tissue resection techniques throughout the gastrointestinal tract.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Johns Hopkins University School of Medicine and The Institute for Johns Hopkins Nursing. The Johns Hopkins University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The Institute for Johns Hopkins Nursing is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

CREDIT DESIGNATION STATEMENT

The Johns Hopkins University School of Medicine designates this live activity for a maximum of 24 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

OTHER CREDITS

American Academy of Nurse Practitioners National Certification Program accepts *AMA PRA Category 1 Credit*[™] from organizations accredited by the ACCME.

PAs may claim a maximum of 24 Category 1 credits for completing this activity. **NCCPA** accepts *AMA PRA Category 1 Credit*[™] from organizations accredited by ACCME or a recognized state medical society.

The Johns Hopkins University has approved this activity for 24 **contact hours for non-physicians**.

This 24 contact hour educational activity is jointly provided with **The Institute for Johns Hopkins Nursing**.

Continuing Medical Education credit is being requested from another applicable medical specialty organization.

MOC STATEMENT

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 24 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity.

It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

GENERAL INFORMATION

REGISTRATION

April 1, 2020 • 7:00 – 7:45 a.m.

The registration desk will remain open for the duration of the activity.

LOCATION

Thomas B. Turner Building

Lower Level

Johns Hopkins School of Medicine
720 Rutland Avenue
Baltimore, Maryland 21205

The Turner Building is located on Rutland Avenue at Monument Street. Directions and campus parking information are available on our website under the contact us tab at [HopkinsCME.cloud-cme.com](https://hopkinscme.cloud-cme.com). Handicapped parking is available in the nearby Rutland Garage.

Johns Hopkins is smoke-free.

TRAVEL INFORMATION

By Air: Baltimore is served by three major airports: Baltimore/Washington International Airport (BWI) in Maryland; Washington Dulles International Airport (IAD) and Ronald Reagan National Airport (DCA) in Northern Virginia.

Taxi Service: To downtown Baltimore from BWI, the nearest airport, is 15-30 minutes depending on traffic and approximately \$35 one way. Super Shuttle charges less than \$20 one way and reservations are needed. Reservations can be made online at: www.supershuttle.com or call +1 (410) 859-3427.

By Rail: Baltimore is easily accessible by train. Amtrak trains run 24 hours a day, 7 days a week. Baltimore is a major stop for Amtrak's high-speed Acela Express service. Penn Station is easily accessible by I-95, I-83 and I-70 and is a 15 minute taxi ride to Johns Hopkins. For more information visit www.amtrak.com or call +1 (800) USA-RAIL.

HOTEL ACCOMMODATIONS

Residence Inn Baltimore at the Johns Hopkins Medical Campus +1 (443) 524-8400
800 North Wolfe Street Baltimore
Maryland 21205

Website: marriott.com

Hotel Reservation Cut-Off Date: MARCH 2, 2020

Reservation link: bit.ly/2z7KKJo

A limited block of sleeping rooms has been reserved at the hotel for your convenience and will be available on a first come, first served basis.

The Residence Inn Baltimore is located on the Johns Hopkins Medical Campus. Make your reservation at <https://bit.ly/2z7KKJo> or call the hotel directly and specify that you are attending the Johns Hopkins HITEC Conference to receive the special group rate of \$149 for one bedroom king suite, plus tax. On-site valet parking is available at the hotel at an additional charge. Check-in time is 4:00 p.m. Check-out time is 12:00 p.m. This hotel is located directly across the street to the meeting site, within walking distance.

COMPLIMENTARY SOCIAL EVENT

Please join us for an opportunity of networking during the complimentary welcome reception and dinner for registrants and faculty on Wednesday evening, April 1, 2020, immediately following the last session. Please indicate your attendance on the registration form. NOTE: The commercial support received is solely for the educational component of this activity and will not be used to support this social event.

SYLLABUS

The syllabus will be accessible online and via your mobile device in the CME CloudCME App prior to the activity.

FEES

Register Online:

hopkinscme.cloud-cme.com/aph.aspx?P=5&EID=18535

Methods of Payment: We require full payment prior to the start of the activity. On-site payments by credit card only. The registration fee includes instructional materials, continental breakfasts, refreshment breaks and lunches.

Physicians	\$550
Residents*/Fellows* <small>*with verification of status</small>	\$250
CRNA/NP/PA/RN	\$250

Hands-On Sessions

Limited to one workshop per registered attendee.

Pre-registration and full payment is required prior to the start of the activity.

Therapeutic Endoscopy Hands-On Session (AM or PM)	\$250
Bariatric Endoscopy Didactic and Hands-On Session (All Day)	\$250
Nursing Endoscopy Hands-On Session (AM or PM) <small>Please note: didactic session for nursing track is Thursday - see program.</small>	\$100

Endorsement society member discounts are available with online registration.

You will receive a confirmation by e-mail. If you have not received it by **March 26, 2020**, call +1 (410) 502-9636 to confirm that you are registered. A transcript of attendance will be available upon attestation of your credit hours and submission of the post activity online evaluation.

The Johns Hopkins University reserves the right to cancel or postpone any activity due to unforeseen circumstances. In this event, the University will refund the registration fee but is not responsible for travel expenses. Additionally, we reserve the right to change the venue to a comparable venue. Under such circumstances, registrants will be notified as soon as possible.

LATE FEE AND REFUND POLICY

A \$50 late fee applies to registrations received after 5:00 p.m. ET on **March 26, 2020**. A handling fee of \$50 will be deducted for cancellation. An additional fee may apply for cancellation of other events, including workshops and social activities. Refund requests must be received by fax or mail by **March 26, 2020**. No refunds will be made thereafter. Transfer of registration to another Johns Hopkins activity in lieu of cancellation is not possible.

GENERAL INFORMATION

HANDS-ON TRAINING SESSIONS

On Friday, April 3, 2020, registrants will have the option of attending one hands-on training session.

Sessions will be held on explants and training models with training provided by national and international expert endoscopists.

Each participant will rotate through each station with a maximum of five participants per station. Each session is geared towards the target audience of the specialty area and listed below:

Therapeutic Endoscopy (available Friday morning or afternoon) includes training on Zenker's diverticulotomy, cholangiopancreatography, closure/hemostasis, full-thickness resection, transoral incisionless fundoplication, endoscopic suturing, endoscopic submucosal dissection and interventional EUS.

Bariatric track (all day Friday, with didactic session in the morning) includes training on endoscopic sleeve gastropasty, intragastric balloons, transoral outlet reduction TORe, septotomy and pneumatic dilation.

Nursing track (Friday morning or afternoon, with didactic session on Thursday) training will include transoral incisionless fundoplication, CryoBalloon ablation, full thickness resection, radio frequency ablation, endoscopic suturing, altered anatomy-apposing metal stents, hybrid argon plasma coagulation, zenkers POEM pump, and closure and hemostasis.

Pre-registration is required (has fee) and space is limited. Register early as these limited sessions will fill up quickly.

HOW TO OBTAIN CREDIT

Post activity, an online evaluation will be available to attendees to evaluate the activity and individual presentations and to identify future educational needs. Upon completion of the evaluation, the learner must attest to the number of hours in attendance. Credits earned will be added to the learner's transcript and immediately available for print.

The last day to access the evaluation and attest to your credits is May 18, 2020.

An outcome survey will be sent to all physician attendees within two months post activity to assist us in determining what impact this activity had on the learner's practice.

EMERGENCY CALLS

On April 1- 3, 2020, direct emergency calls to the Hopkins registration desk, +1 (410) 955-3673. Messages will be posted for participants.

AMERICANS WITH DISABILITIES ACT

The Johns Hopkins School of Medicine and the Institute for Johns Hopkins Nursing fully comply with the legal requirements of the ADA and the rules and regulations thereof. *Please notify us if you have any special needs.*

Endorsed by:

Association for Bariatric Endoscopy

American Society for Gastrointestinal Endoscopy

American College of Gastroenterology

Brazilian Society of Digestive Endoscopy

Endorsed by

International Federation for the Surgery of Obesity and Metabolic Disorders

The European Society of Gastrointestinal Endoscopy

World Endoscopy Organization

POLICY ON PRESENTER AND PROVIDER DISCLOSURE

It is the policy of the Johns Hopkins School of Medicine that the presenter and provider globally disclose conflicts of interest. The Johns Hopkins School of Medicine OCME has established policies in place that will identify and resolve conflicts of interest prior to this educational activity. Detailed disclosure will be made prior to presentation of the education.

ACKNOWLEDGEMENT

Applications for commercial support from health care related industries are pending. A complete list of contributors will be provided in the syllabus. Please note that commercial support received is solely for the educational component of the activity and will not be used to provide food and beverage.

Please note: The Physician Payments Sunshine Act was enacted by Congress to increase public awareness of financial relationships between drug and medical device manufacturers and physicians. In compliance with the requirements of this Act, the commercial supporter/s of this activity may require the Johns Hopkins School of Medicine to report certain professional information (such as name, address, National Provider Identifier (NPI), and State License number) of physician attendees who receive complimentary food and beverage in conjunction with a CME activity. The commercial supporter is required to submit the collected data to the Centers for Medicare and Medicaid Services which will then publish the data on its website.

PROGRAM

DAY I: WEDNESDAY, APRIL 1, 2020

Location: Turner Auditorium, Thomas B. Turner Building, Ground Floor

- 7:00 - 7:30 Registration, Continental Breakfast and Exhibits
- 7:30 - 7:40 **Opening Remarks and Conference Goals**
Mouen A. Khashab, MD
Vivek Kumbhari, MD
Mary Rose Hess, BSN, RN, CGRN
- 7:40 - 8:00 **Lumen Opposing Stents for Fluid Collections: What Have We Learned?**
Alessandro Repici, MD
- 8:00 - 8:20 **Endoscopic Therapy for Gastroesophageal Reflux Disease: Which Patients will Benefit?**
Kenneth J. Chang, MD, FACG, FAGA, FASGE, FJGES (USA)
- 8:20 - 10:00 **Live Endoscopy**
- 10:00 - 10:20 Refreshment Break and Exhibits
- 10:20 - 10:40 **Esophageal Strictures: Incision, Submucosal Tunnel, Dilatation or Stent?**
Peter D. Siersema, MD, PhD, FACG
- 10:40 - 12:00 **Live Endoscopy**
- 12:00 - 1:00 **Lunch Time Symposia**
Location: Turner Concourse

PROCEDURE	EXPERT	INDUSTRY
TIF	Kenneth J. Chang, MD, FACG, FAGA, FASGE, FJGES (USA)	EGS
FTRD	Alessandro Repici, MD	Ovesco
FNB	Sachin Wani, MD, FACP, FASGE, AGAF	BSCI/Medtronic
ESD	Yutaka Saito, MD, PhD, FASGE, FACG	BSCI/ERBE/Olympus
Suturing	Manoel Galvao Neto, MD	Apollo
LAMS	Anthony Y.B. Teoh, MBChB, FRCSEd (Gen), FACS, FASGE	BSCI
Cholangiopancreatography	Christopher Thompson, MD, MSc, FACG	BSCI
Barrett's ablation	Peter D. Siersema, MD, PhD, FACG	Pentax/ERBE/Medtronic
POEM	Marcel Vasile Tantau, MD	Olympus/Medtronic/ERBE

- 1:00 - 1:20 **Endoscopic Barrett's Therapy Made Easy**
Sachin Wani, MD, FACP, FASGE, AGAF
- 1:20 - 1:40 **My Patient has PSC and a Dominant Stricture: What's Next?**
Marcel Vasile Tantau, MD
- 1:40 - 2:00 **Role of Endoscopy in the Management of Gallbladder Disease**
Anthony Y.B. Teoh, MBChB, FRCSEd (Gen), FACS, FASGE
- 2:00 - 4:00 **Live Endoscopy**
- 4:00 - 4:30 Refreshment Break and Exhibits
- 4:30 - 5:30 **At The Movies**
Marcia Canto, MD, MHS
- 5:30 - 6:30 Welcome Reception and Dinner

PROGRAM

DAY 2: THURSDAY, APRIL 2, 2020

Location: Turner Auditorium, Thomas B. Turner Building, Ground Floor

This session is not eligible for AMA PRA Category I Credits™.

7:00 - 8:00 **Mini Symposium**
(sponsored by Olympus)
Location: Turner Auditorium
Current Best Practice For Colonic ESD
Yutaka Saito, MD, PhD, FASGE, FACG

7:00 – 8:00 Continental Breakfast and Exhibits

8:00 - 9:40 **Live Endoscopy**

9:40 - 10:00 Refreshment Break and Exhibits

10:00 - 10:20 **Endoscopic Suturing for Indications Other than Weight Loss**
Christopher Thompson, MD, MSc, FACG

10:20 - 12:00 **Live Endoscopy**

This session is not eligible for AMA PRA Category I Credits™.

12:00 - 1:00 **Lunch Mini Symposium**
(sponsored by Boston Scientific)
Location: Turner Auditorium
New Paradigms In Tissue Resection
Alessandro Repici, MD

12:00 – 1:00 Lunch on Turner Concourse

1:00 - 1:20 **Endoscopic Management of Chronic Gastrointestinal Leaks and Fistulas**
Manoel Galvao Neto, MD

1:20 - 3:20 **Live Endoscopy**

3:20 - 3:40 Refreshment Break and Exhibits

3:40 - 4:30 **Expert Panel Discussion of the Live Cases**
All Invited Global Speakers

4:30 - 5:30 **At The Movies**
Marcia Canto, MD, MHS

5:30 Adjourn

Note: The Nursing Track didactic session will be held in the Tilghman Auditorium. See Nursing track program for full details.

THERAPEUTIC ENDOSCOPY WITH HANDS-ON TRAINING

DAY 3: FRIDAY, APRIL 3, 2020

HANDS-ON TRAINING – THERAPEUTIC ENDOSCOPY

(pre-registration required)

Location: MISTIC Lab, Blalock Building, 12th Floor

Five people per station. 35 minutes at each station. 25 minute break.

Morning Session (7:30 a.m. - 12:00 p.m.)

7:00 – 7:30 Check in and Continental Breakfast

- Station 1:** Cholangiopancreatography
- Station 2:** Zenker's Diverticulotomy
- Station 3:** Lumen-apposing metal stents
- Station 4:** Endoscopic Submucosal Dissection
- Station 5:** Endoscopic Suturing
- Station 6:** Full-Thickness Resection Device
- Station 7:** Transoral Incisionless Fundoplication

Adjourn

Participants must choose AM or PM attendance when registering.

Afternoon Session (1:00 p.m. - 5:30 p.m.)

12:30 – 1:00 Check in and Light Refreshments

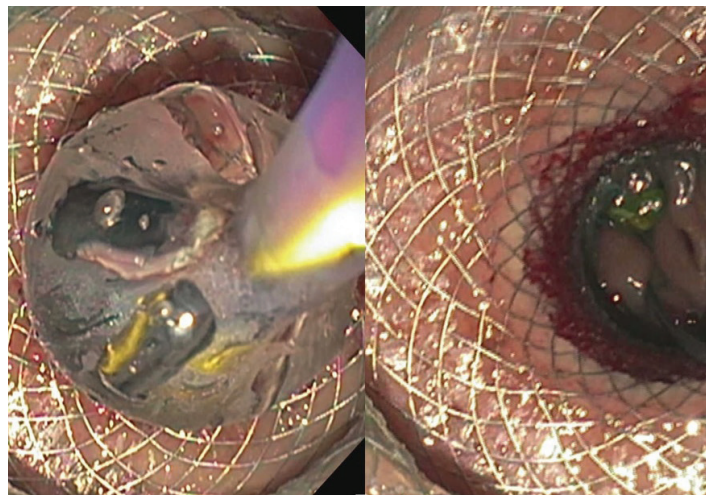

- Station 1:** Cholangiopancreatography
- Station 2:** Closure and hemostasis
- Station 3:** Lumen-apposing metal stents
- Station 4:** Full-Thickness Resection Device
- Station 5:** Endoscopic Suturing
- Station 6:** Endoscopic Submucosal Dissection (standard)
- Station 7:** Endoscopic Submucosal Dissection (ORISE)

Adjourn

You will receive an email notification to complete the evaluation form and to attest to the number of hours in attendance.

The registration desk will remain open during conference hours.

Professional models are provided by ENDOSIM.

BARIATRIC COURSE WITH HANDS-ON TRAINING

DAY 3: FRIDAY, APRIL 3, 2020

BARIATRIC COURSE WITH HANDS-ON TRAINING

(pre-registration required)

Location: Turner Auditorium, Thomas B. Turner Building, Ground Floor

Option 1: Bariatric Module (Whole Day)

7:30 - 8:00 Check in and Continental Breakfast

8:00 - 8:10 **Opening Remarks and Conference Goals**
Vivek Kumbhari, MD

Moderators: Manoel Galvao Neto, MD,
Christopher Thompson, MD, MSc, FACP, Vivek Kumbhari, MD

8:10 - 8:35 **Medical Management of Primary Weight Loss and Weight Regain after Endoscopic Bariatric Therapies or Bariatric Surgery**
Scott Kahan, MD, MPH

8:35 - 9:00 **Endoscopic Management of Weight Regain after Bariatric Surgery**
Christopher Thompson, MD, MSc, FACP

9:00 - 9:25 **Endoscopic Management of Complications of Bariatric Surgery**
Manoel Galvao Neto, MD

9:25 - 9:50 **Surgical Management of Complications After Bariatric Surgery**
Alex Gandsas, MD, MBA, FACS

9:50 - 10:05 Refreshment Break and Exhibits

Moderators: Alessandro Repici, MD,
Kenneth J. Chang, MD, FACP, FAGA, FASGE, FJGES (USA),
Vivek Kumbhari, MD

10:05 - 10:30 **Endoscopic Sleeve Gastroplasty in 2020**
Kenneth J. Chang, MD, FACP, FAGA, FASGE, FJGES (USA)

10:30 - 10:55 **Current and Emerging Endoscopic Primary Gastric Therapies**
Christopher Thompson, MD, MSc, FACP

10:55 - 11:20 **Current and Emerging Endoscopic Primary Enteral Therapies**
Alessandro Repici, MD

11:20 - 11:45 **A Personalized Approach to Endoscopic Bariatric Therapies**
Manoel Galvao Neto, MD

11:45 - 12:15 **Case Presentation and Panel Discussion**

12:15 - 1:00 Lunch and Exhibits

1:00 - 4:00 **Bariatric Endoscopy Hands-On Lab**

Five people per station. 30 minutes at each station. 25 minute break.

Station 1: Endoscopic Sleeve Gastroplasty
Kenneth J. Chang, MD, FACP, FAGA, FASGE, FJGES (USA)

Station 2: Endoscopic Sleeve Gastroplasty
Austin Chiang, MD, MPH

Station 3: Intra-gastric Balloons
Dilhana Badurdeen, MBBS

Station 4: Transoral Outlet Reduction (TORe)
Christopher Thompson, MD, MSc, FACP

Station 5: Septotomy and Pneumatic Dilation
Manoel Galvao Neto, MD

Adjourn

You will receive an email notification to complete the evaluation form and to attest to the number of hours in attendance.

The registration desk will remain open during conference hours.

ADVANCED THERAPEUTIC NURSING TRACK WITH HANDS-ON TRAINING

Registration includes attendance to the HITEC sessions on Wednesday and Thursday morning.

Due to the rise of innovative procedures, Endoscopy Units require regular introduction and practice to new therapeutic and diagnostic equipment and supplies. Maintaining competencies with new technologies can be challenging for the entire unit. The HITEC Nursing Track will enable registrants to develop and maintain competency in the ever-changing field of endoscopy and will illustrate an array of emerging therapeutic endoscopic procedures. Registration details and the full nursing track agenda are available online. hitec-course.com

OBJECTIVES:

After attending this activity, the participant will demonstrate the ability to:

- Establish a comprehensive clinical education program for the integration of new products and procedures into your endoscopy practice.
- Develop a variety of resources and educational pathways to meet individualized learning needs for advanced therapeutic endoscopy staff.
- Give example of advanced endoscopic procedures and identify the equipment and accessories involved.
- Discuss methods to maintain clinical competencies while fostering a supportive learning environment that builds staff confidence and improves overall performances.

THURSDAY, APRIL 2, 2020

Location: Tilghman Auditorium, Thomas B. Turner Building, Ground Floor

- 12:30 – 1:00 Registration and Exhibits
- 1:00 – 1:10 **Welcome and Conference Goals**
Mary Rose Hess, BSN, RN, CGRN
- 1:10 – 1:15 **Introductions**
Laurie McClelland, BSN, RN, CGRN and
Cathy Garrett, BSN, RN, CGRN
- 1:15 – 1:35 **How to Introduce New Innovating Products and Procedures into Your Practice: The Formation of a Nurse Product/Procedure Group (NPPG)**
Mary Rose Hess, BSN, RN, CGRN
- 1:35 – 1:55 **Wrap It Up: TIF Transoral Incisionless Fundoplication**
Regina Crowell, MAS, RN
- 1:55 – 2:15 **Detour This Way? Small Bowel Obstructions: G-J**
Sarah Stromberg, BA, RN
- 2:15 – 2:35 **Ergonomics: Accidents Hurt, Safety Doesn't**
Francis Nicholson, RN
- 2:35 – 2:55 **Then There Were Three: Poems E, G & Z POEM's**
Laura Pukenas, BSN, RN and Tanya Valdez, BSN, RN
- 2:55 – 3:10 Refreshment Break and Exhibits
- 3:10 – 3:30 **A Nip and a Tuck: Endoscopic Sleeve Gastroplasty**
Tiffanie Hart, BSN, RN

- 3:30 – 3:50 **Don't Get Choked Up: Motility's Use in Therapeutics**
Kira Rashba, BSN, RN, CGRN
- 3:50 – 4:10 **Keynote Presentation: CRE Infections: What's In It For Me?**
Lea Anne Myers, MSN, RN, CGRN
- 4:10 – 4:30 **A Fork in the Road: Roux-en Y Hepaticojejunostomy**
Brittany Craven, BSN, RN
- 4:30 – 4:50 **Deep Dive: Full Thickness Resection**
Rose Fusco, BSN, RN, CGRN
- 4:50 – 5:00 **Closing Statements with Questions and Answers**
Mary Rose Hess, BSN, RN, CGRN
- 5:00 – 5:30 **Johns Hopkins Hospital Endoscopy Suite Tour (Optional)**
Francis Nicholson, RN

FRIDAY, APRIL 3, 2020

Nursing Hands-On Training Session

(pre-registration required)

Location: West Room, Thomas B. Turner Building

Four people per station. 40 minutes at each station. 2/15 minute breaks.

Morning Session (7:30 a.m. - 12:00 p.m.)

7:00 – 7:30 Check in and Continental Breakfast
