# Zoom into Transoral Thyroidectomy:

Introduction and Surgical Demonstrations

**November 20, 2020 | 8:00 a.m. - 3:00 p.m. ET**

This activity has been approved for *AMA PRA Category I Credits™*

### DESCRIPTION

Many advances have been made in diagnostic modalities and treatment options for thyroid and parathyroid disease. Management concepts in these tumors are in constant flux medically and surgically. There is a large amount of information published, including guidelines, on these topics which can make it difficult for the practicing physician to stay current with new developments. This course will provide up-to-date information regarding work-up, diagnostic techniques, clinical recommendations, and treatment options for patients with thyroid and parathyroid disease. This will enhance safe delivery of state-of-the-art care for patients.

# Zoom into Transoral Thyroidectomy:

## Introduction and Surgical Demonstrations

**November 20, 2020 | 8:00 a.m. - 3:00 p.m. ET**

### WHO SHOULD ATTEND

This activity is intended for residents, fellows and physicians in Otolaryngology – Head and Neck Surgery and General Surgery.
