

Seventh Annual

Selected Topics in Neuroplastic and Reconstructive Surgery:

An International Symposium on Head/Spine Trauma, Cranioplasty and Implantable Neurotechnologies with Cadaver Lab

December 9-11, 2022

InterContinental at Doral Miami
MARC Institute—Miami Anatomical Research Center
Doral, Florida

Presented by:

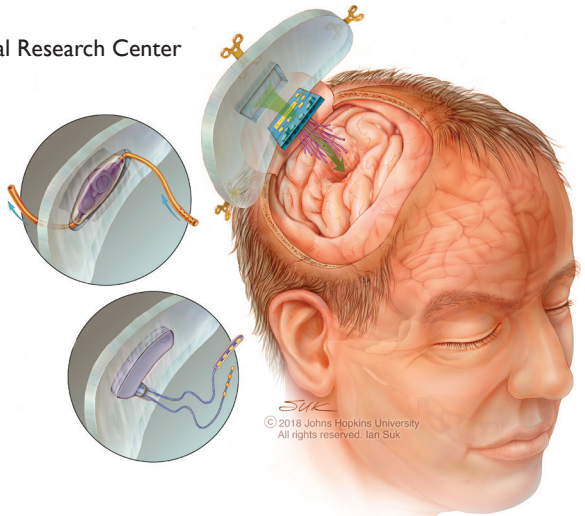

Department of Plastic-Reconstructive Surgery & Department of Neurosurgery
Johns Hopkins School of Medicine

Jointly Provided by:

University of Miami and the
Global Neuro Foundation

In Collaboration with the Society of Neuroplastic Surgery and the Society for Laser Interstitial Thermal Therapy

DESCRIPTION

Modern-day cranioplasty, along with the burgeoning field of Neuroplastic and Reconstructive Surgery, is undergoing a significant paradigm shift related to various techniques, surgical advancements, implantable neurotechnology, and improved biomaterials. These changes have stimulated us to assemble premier thought leaders in various specialties including neurosurgery, neuroplastic surgery, craniofacial surgery, and plastic surgery to meet for the Seventh Annual conference. The faculty will gather to present evidence-based data on surgical approaches and state-of-the-art materials, engage and network within a broad array of colleagues and experts, and share high-yield experiences to help attendees improve their patient outcomes. Interactive panel discussions following each lecture will offer the opportunity to debate the evidence, exchange ideas, and gain invaluable insight to assist with the most challenging cases.

WHO SHOULD ATTEND

This activity is intended for residents, fellows and physicians in Neurosurgery, Neuroplastic and Reconstructive Surgery, Craniofacial Surgery, Plastic and Reconstructive Surgery, Otolaryngology – Head and Neck Surgery, Oral Maxillofacial Surgery and Biomedical Engineering.

TOPICS INCLUDE:

- Neuroplastic Surgery overview
- Multidisciplinary Collaboration
- Military Head Trauma
- Pericranial-onlay Cranioplasty technique
- Implantable neurotechnologies
- Smart cranial Implants

Plan to join us for the
**Seventh Annual
Selected Topics in Neuroplastic and
Reconstructive Surgery:**
An International Symposium on
Head/Spine Trauma, Cranioplasty and
Implantable Neurotechnologies
December 9-11, 2022

FEES

Register Online: hopkinscme.cloud-cme.com/course/courseoverview?P=0&EID=39419

Methods of Payment: We require full payment prior to the start of the activity. The registration fee includes instructional materials, breakfasts, refreshment breaks and lunches.

	Before October 1, 2022	After October 2, 2022
Physician – Friday 12/9 only	\$420	\$495
Physician – Saturday 12/10 only	\$645	\$750
Physician – Friday, Saturday and Sunday	\$1,075	\$1,200
Residents*/Fellows*/Allied Health Friday 12/9 only	\$85	\$95
Residents*/Fellows*/Allied Health Saturday 12/10 only	\$90	\$100
Residents*/Fellows*/Allied Health All days – Friday, Saturday and Sunday	\$170	\$190
