## DESCRIPTION

Emergency airway management in critically ill patients outside the controlled setting of the operating room is associated with a higher incidence of difficult intubations, ranging anywhere from 10 percent to 22 percent. This full day course will begin with didactic lectures of fundamental knowledge related to these procedures. The second half of the course will provide participants valuable hands-on training using human cadavers.

## WHO SHOULD ATTEND

This activity is intended for physicians with specialties in pulmonary and critical care, anesthesiology and critical care, and emergency medicine, as well as nurse practitioners, nurses, physician assistants, and respiratory therapists.

## FEES

### Methods of Payment

We require full payment prior to the start of the activity. On-site payments by credit card only.

Physicians .....\$1,000

Residents\*/Fellows\*/Nurses/NPs/PAs/RTs/Allied Health Professionals.....\$600

*\*with verification of status*
