Current Concepts in the Management of Thyroid and Parathyroid Tumors with Transoral Thyroidectomy

November 17 – 18, 2017
Johns Hopkins Thomas B. Turner Building
Tilghman Auditorium
Minimally Invasive Surgical Training and Innovation Center (MISTIC Lab)
Baltimore, Maryland

Jointly Provided by the University of Chicago Medicine

This activity has been approved for AMA PRA Category 1 Credits™.
Description

Many advances have been made in diagnostic modalities and treatment options for thyroid and parathyroid disease. Management concepts in these tumors are in constant flux medically and surgically. There is a large amount of information published, including guidelines, on these topics which can make it difficult for the practicing physician to stay current with new developments. This course will provide up-to-date information regarding work-up, diagnostic techniques, clinical recommendations, and treatment options for patients with thyroid and parathyroid disease, which will allow for safe delivery of state-of-the-art care for patients.

Objectives

After attending this activity, the participant will demonstrate the ability to:

• Explain the advances in diagnostic tests utilized in management of thyroid and parathyroid disorders.
• Discuss the work-up and treatment options, including extent of surgery, in the management of thyroid cancer.
• Explain the evaluation, medical and surgical management of hyperparathyroidism, including imaging options.
• Outline the surgical techniques, INCLUDING TRANSORAL APPROACHES, available for the treatment of thyroid and parathyroid diseases.

Who Should Attend

This activity is intended for community and academic endocrine surgeons, endocrinologists, otolaryngologists, general surgeons, general practitioners, nurse practitioners, medical oncologists, radiation oncologists, radiologists, pathologists, nurses, PAs, and social workers.

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Johns Hopkins University School of Medicine and the University of Chicago Medicine. The Johns Hopkins University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation Statement

The Johns Hopkins University School of Medicine designates this live activity for a maximum of 13.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Credits

American Nurses Credentialing Center (ANCC) accepts AMA PRA Category 1 Credits™ from organizations accredited by the ACCME.

American Academy of Nurse Practitioners National Certification Program accepts AMA PRA Category 1 Credit™ from organizations accredited by the ACCME.

American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME. Physician assistants may receive a maximum of 13.75 AAPA Category 1 CME credit(s) for completing this program.

Policy on Speaker and Provider Disclosure

It is the policy of the Johns Hopkins University School of Medicine that the speaker and provider globally disclose conflicts of interest. The Johns Hopkins University School of Medicine OCME has established policies in place that will identify and resolve all conflicts of interest prior to this educational activity. Detailed disclosure will be made in the instructional materials.

For trainees wishing to attend with faculty that are registered for the conference there will be a discounted fee of $50 for day one and $250 to attend the cadaver lab. Please call the Office of Continuing Medical Education at 410-502-9634 to take advantage of this discount.

You will receive a confirmation by e-mail. If you have not received it by November 11, 2017, call (410) 502-9634 to confirm that you are registered. A transcript of attendance will be available upon attestation of your credit hours and submission of the post activity online evaluation.

The Johns Hopkins University reserves the right to cancel or postpone any activity due to unforeseen circumstances. In this event, the University will refund the registration fee but is not responsible for travel expenses. Additionally, we reserve the right to change the venue to a comparable venue. Under such circumstances registrants will be notified as soon as possible.

Late Fee and Refund Policy

A $50 late fee applies to registrations received after 5:00 p.m. ET on November 11, 2017. A handling fee of $50 will be deducted for cancellation. An additional fee may apply for cancellation of other events, including workshops and social activities. Refund requests must be received by fax or mail by November 11, 2017. No refunds will be made thereafter. Transfer of registration to another Johns Hopkins activity in lieu of cancellation is not possible.

Call for Abstracts

Syllabus

The syllabus will be accessible online and via your mobile device in the CloudCME App prior to the activity.

How to Obtain Credit

Post activity, an online evaluation will be available to attendees to evaluate the activity and individual presentations and to identify future educational needs. Upon completion of the evaluation, the learner must attest to the number of hours in attendance. Credits earned will be added to the learner’s transcript and immediately available for print. The last day to access the evaluation and attest to your credits is January 2, 2018.

An outcome survey will be sent to all physician attendees within two months post activity to assist us in determining what impact this activity had on the learner’s practice.

Emergency Calls

On November 17, 2017, direct emergency calls to the Hopkins registration desk, (410) 955-3673. Messages will be posted for participants. On November 18, 2017, direct emergency calls to the Hopkins registration desk, (443) 287-2333. Messages will be posted for participants.

Americans with Disabilities Act

The Johns Hopkins University School of Medicine fully complies with the legal requirements of the ADA and the rules and regulations thereof. Please notify us if you have any special needs.

Acknowledgement

Applications for commercial support from health care related industries are pending. A complete list of contributors will be provided in the syllabus. Please note that commercial support received is solely for the educational component of the activity and will not be used to provide food and beverage.

Please note: The Physician Payments Sunshine Act was enacted by Congress to increase public awareness of financial relationships between drug and medical device manufacturers and physicians. In compliance with the requirements of this Act, the commercial supporter of this activity may require the Johns Hopkins University School of Medicine to report certain professional information (such as name, address, National Provider Identifier (NPI), and State License number) of physician attendees who receive complimentary food and beverage in conjunction with a CME activity. The commercial supporter is required to submit the collected data to the Centers for Medicare and Medicaid Services which will then publish the data on its website.
