JOHNS HOPKINS
MEDICINE

- Comprehensive **2-day hybrid course** (in-person attendance with an option of virtual participation of lectures and live demonstrations) dedicated to providing practicing gastroenterologists, endoscopists and endoscopy staff state-of-the-art updates on luminal and pancreatico-biliary diseases and endoscopy.
- HITEC is the **third highest attended course in the U.S.** after DDW and ACG.
- **Hands-on Training** in advanced endoscopic procedures.
- The course is consistently attended by Physicians from more than 100 countries.
- Two days of **Live Endoscopy** from Johns Hopkins and other centers of excellence around the world with live **Spanish translation** and **AI Closed Caption [CC]** available in different languages.
- Free registration for world-wide audience (**additional fees apply when registering for in-person attendance**).
- Concurrent **GI Nurses and Associates' Course**, and new this year – **Fellow's Course**.
- Course faculty includes the **best educators and leaders** around the world.
- Combination of live endoscopy, short didactic presentations, interactive discussions, and interactive video case presentations.

In short, **HITEC 2025** will feature a detailed illustration of the optimal techniques to enhance endoscopic skills for the management of various luminal and pancreatico-biliary diseases, and concurrently introducing advanced and novel procedures/techniques to trainees, fellows, endoscopy nurses and technicians from around the world. We look forward to your participation.

DESCRIPTION

The Ninth Annual Hopkins International Therapeutic Endoscopy Course (HITEC) is an intense two-day course dedicated to providing the practicing endoscopist state-of-the-art updates in luminal, pancreaticobiliary and bariatric endoscopy. In addition to extensive live endoscopy demonstrations and keynote lectures by renowned national and international faculty, our unique format will include faculty led industry symposia focusing on the numerous aspects of therapeutic endoscopy and medical management of various GI and pancreaticobiliary disease. This unique course, featuring global endoscopists, will ensure detailed and comprehensive illustration of optimal techniques to enhance endoscopic skills, while simultaneously introducing advanced and novel procedures/techniques to endoscopists.

WHO SHOULD ATTEND

This activity is intended for endoscopists, gastroenterologists, surgeons, gastroenterology/surgical fellows, endoscopy nurses, endoscopy technicians, physician assistants, nurse practitioners and nurses.

OBJECTIVES

After attending this activity, the learner will demonstrate the ability to:

- Master techniques in formulating strategies for preserving clinical competencies, creating a supportive learning environment that enhances staff confidence, and ultimately enhances overall performance.
- Gain proficiency in providing examples of advanced endoscopic procedures, and identify the specific equipment and accessories associated with each procedure.
- Develop the ability to create a variety of resources and educational pathways, tailored to address the individualized learning needs of advanced therapeutic endoscopy staff.
- Acquire needed skills to apply quality improvement project methods tailored to meet the utilization and workflow goals of their endoscopy center.
- Enhance preparedness with best practices to establish a comprehensive clinical education program designed to seamlessly integrate new products and procedures into their endoscopy practice.

ACCREDITATION STATEMENT

The Johns Hopkins University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

The Johns Hopkins University School of Medicine designates this live activity for a maximum of 12 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

POLICY ON PRESENTER AND PROVIDER DISCLOSURE

It is the policy of the Johns Hopkins School of Medicine that the presenter and provider globally disclose conflicts of interest. The Johns Hopkins School of Medicine OCME has established policies in place to identify and mitigate relevant conflicts of interest prior to this educational activity. Detailed disclosure will be made prior to presentation of the education.

OTHER CREDITS

American Nurses Credentialing Center (ANCC) accepts AMA PRA Category 1 Credit™ from organizations accredited by the ACCME.

American Academy of Nurse Practitioners National Certification Program accepts AMA PRA Category 1 Credit™ from organizations accredited by the ACCME.

PAs may claim a maximum of 12 Category 1 credits for completing this activity. **NCCPA** accepts AMA PRA Category 1 Credit™ from organizations accredited by ACCME or a recognized state medical society.

MAINTENANCE OF CERTIFICATION

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

HOW TO OBTAIN CREDIT

Post activity, an online evaluation will be available to attendees to evaluate the activity and individual presentations and to identify future educational needs. Upon completion of the evaluation, the learner must attest to the number of hours in attendance. Credits earned will be added to the learner's transcript and immediately available for print. **The last day to access the evaluation and attest to your credits is November 17, 2025.**

An outcome survey will be sent to all physician attendees within two months post activity to assist us in determining what impact this activity had on the learner's practice.

AMERICANS WITH DISABILITIES ACT

The Johns Hopkins School of Medicine fully complies with the legal requirements of the ADA and the rules and regulations thereof. *Please notify us if you have any special needs.*

ACKNOWLEDGEMENT

Applications for commercial support from health care related industries are pending. A complete list of contributors will be provided in the syllabus. Please note that commercial support received is solely for the educational component of the activity and will not be used to provide food and beverage.

Please note: The Physician Payments Sunshine Act was enacted by Congress to increase public awareness of financial relationships between drug and medical device manufacturers and physicians. In compliance with the requirements of this Act, the commercial supporter/s of this activity may require the Johns Hopkins School of Medicine to report certain professional information (such as name, address, National Provider Identifier (NPI), and State License number) of physician attendees who receive complimentary food and beverage in conjunction with a CME activity. The commercial supporter is required to submit the collected data to the Centers for Medicare and Medicaid Services which will then publish the data on its website.
