

18th Annual International Symposium on Congenital Heart Disease
joins the 6th Scientific Meeting of the

World Society for Pediatric and Congenital Heart Surgery

July 22–26, 2018

Walt Disney World • Orlando, Florida

Mark your calendar for the joint meeting of the World Society for Pediatric and Congenital Heart Surgery (WSPCHS) and the 18th Annual International Symposium on Congenital Heart Disease. Held every 2 years, WSPCHS is the largest professional organization in the world dedicated to pediatric and congenital heart surgery. The Annual International Symposium on Congenital Heart Disease joins with WSPCHS in 2018 to bring together over 1,000 cardiac professionals for lectures by preeminent speakers, late-breaking research updates, networking opportunities with global cardiovascular experts, and a scientific program with 8 sub-specialty tracks: Administration, Anesthesia, Cardiology, Intensive Care, Nursing, Perfusion, Surgery, and Trainee.

Program Chairs: Jeffrey P. Jacobs, MD and Marshall L. Jacobs, MD
