To Whom It May Concern:

We would like to offer you the opportunity to support the 35th Annual Current Concepts in Ophthalmology Meeting to be held at the Johns Hopkins University School of Medicine in Baltimore, Maryland, March 11-16, 2018. We expect an attendance of approximately 100 physicians. If you would like to exhibit at this activity, an exhibit fee of $2,500 would entitle you to a six-foot table top display. Johns Hopkins University School of Medicine follows all ACCME guidelines for commercial support. Please visit the course website for more details: https://hopkinscme.cloud-cme.com/aph.aspx?P=5&EID=10918.

This Current Concepts course will highlight the recent developments regarding diagnosis as well as medical and surgical therapy of common eye diseases. The participant should get a comprehensive review of the most current concepts in the management of ophthalmology by experts across the breadth of the field. For example, clinical trials and other evidence in the peer-reviewed literature over the past few years have changed the approach to managing cataract including IOL technology and femtosecond laser cataract surgery, corneal disease including dry eye disease, keratoplasty, and collagen cross linking, glaucoma and minimally invasive glaucoma surgical devices, as well as diabetic retinopathy, macular degeneration, and retinal vein occlusions. Furthermore, the role of optical coherence tomography (OCT) and other imaging advances are expanding the understanding of the anatomy of the anterior and posterior segment of the eye. This course will address the ongoing pattern of registrants with repeat requests for demonstrations of the latest surgical techniques and medical therapies, questions regarding practice management issues and clarification of legislative updates. There is a demand for expert education of new techniques and medical therapies as well as the need for elucidation of associated clinical trials, and this course provides extensive coverage of that.

We look forward to your consideration and funding of this educational meeting. We believe this activity is a worthwhile educational endeavor that will meet the needs of ophthalmologists by providing information that is current, relevant, and clinically useful to their practices.

The Johns Hopkins University is a 501(c)3 non-profit organization and our Tax ID # is 52-0595110. All checks for exhibit fees must be payable to the Johns Hopkins University and sent to 12529 Collections Center Drive, Chicago, IL 60693 along with an Exhibitor Booth Agreement. Please be sure to reference course #80043980 so that the monies are deposited in the appropriate account. More information is available on the Exhibitor Booth Agreement.

Please contact Kathy Case in the CME office at kcase5@jhmi.edu if you are interested in exhibiting at this conference to receive the Exhibitor Booth Agreement and further directions.

Sincerely,

Neil M. Bressler, MD

I agree to abide by the ACCME Standards for Commercial Support:

**Specifically 4.2 states:** “Product-promotion material or product-specific advertisement of any type is prohibited in or during CME activities. The juxtaposition of editorial and advertising material on the same products or subjects must be avoided. Live (staffed exhibits, presentations) or enduring (printed or electronic advertisements) promotional activities must be kept separate from CME.” “For live, face-to-face CME, advertisements and promotional materials cannot be displayed or distributed in the educational space immediately before, during, or after a CME activity. Providers cannot allow representatives of Commercial Interests to engage in sales or promotional activities while in the space or place of the CME activity.” (Refer to ACCME standards at [www.accme.org](http://www.accme.org))

It is the Johns Hopkins Medicine policy that faculty and staff, employees, students, trainees, and volunteers may not accept gifts or entertainment, regardless of value, from pharmaceutical companies or medical device manufacturers or suppliers with respect to any activity at any JHM member organization site and any activity conducted under the auspices of or using the name of any JHM member organization. This policy extends to all exhibitors of this activity. To adhere to this policy no pens, pads, candy, etc. may be offered at your exhibit table.

By signing below the above company acknowledges and agrees to the following (1) The required exhibit fee is for the sole purchase of exhibit space and two complimentary registrations for exhibiting personnel. These personnel must complete and submit a registration form prior to the activity. (2) If more than two personnel wish to attend they must register separately and pay the full registration fee. (3) Payment is required by the company prior to the activity. (4) Each of the costs subsidized by the fee is incremental to the exhibit space and not standard institutional or organizational overhead, and (5) any payment to exhibit is not intended to influence planning of any CE/CME activity or interfere with presentations at any associated CE/CME activity.

Part I  Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN on page 3.

Note. If the account is in more than one name, see the instructions for line 1 and the chart on page 4 for guidelines on whose number to enter.

Part II  Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and

2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and

3. I am a U.S. citizen or other U.S. person (defined below); and

4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of a secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

• Form 1099-INT (interest earned or paid)
• Form 1099-DIV (dividends, including those from stocks or mutual funds)
• Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
• Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
• Form 1099-S (proceeds from real estate transactions)
• Form 1099-K (merchant card and third party network transactions)
• Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
• Form 1099-C (canceled debt)
• Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),

2. Certify that you are not subject to backup withholding, or

3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See What is FATCA reporting? on page 2 for further information.
